Outreach Menu of support

September 2016 – July 2017

An advice and support service for schools managing children with Social, Emotional and Mental Health Difficulties (SEMH)

Aims of the support:

1. To advise and support schools on effectively meeting the needs of children with SEMH, Attachment disorder & ASC with challenging behaviour.
2. To advise and support local primary schools to manage the individual behavioural needs of children with SEMH, Attachment disorder & ASC with challenging behaviour.
3. To provide a follow up surgery service where schools can come for further discussion, clarification and advice regarding strategies for children with SEMH, Attachment disorder & ASC with challenging behaviour.

Benefits:

1. Local support for local primary schools.
2. Access to specialist advice and support.
3. Opportunities to see best practice in action.
4. Improved transition and integration for children with SEMH Attachment disorder & ASC with challenging behaviour.
5. Cost effective support and advice.
6. Personalised support packages.
7. Relevant, up to date advice from behavioural practitioners.

Cost and Menu of support available
